

The graph displays five time series over a video timepoint from 0 to 225. The green line represents the highest values, starting at approximately 10, peaking at 225, and ending at 225. The blue line starts at approximately 10, peaks at 110, and ends at 225. The red line starts at approximately 225, peaks at 10, and ends at 225. The yellow line starts at approximately 225, peaks at 10, and ends at 225. The magenta line starts at approximately 225, peaks at 10, and ends at 225.
